This provision refers to the transfer of an officer to be reported upon and there is no corresponding provision in rule 5(c) to cover cases where the officer, who is required to initiate the confidential report is transferred. It is necessary to have a corresponding provision to cover such cases.

Constitution of Committee for the working of the Mysore Government Computer Centre of the Bureau of Economics and Statistics.

READ :—

Letter No. DO. GCC. 131/959/72-73 dated 12th December 1972 from the Director, Bureau of Economics and Statistics, Bangalore.

PREAMBLE :—

The Computer installed in the Bureau of Economics and Statistics is now working at far less than its optimum capacity. On an average, it is working for only around 175 hours per month, while it can easily work for double this period. Even this work-load of 175 hours is largely because of the work of World Agricultural Census of Mysore and Andhra Pradesh. This World Agricultural Census work is expected to be over soon when the load on the Computer would drastically come down further.

Efforts are continuously being made to convince the various departments of the advantages of this Computer as a management tool and to persuade them to computerise their work as much as possible. There are however a few administrative and other difficulties to be solved before these departments could entrust their work to the computer.

It is necessary to have some standing arrangements to meet periodically and prevail upon the various departments to utilise the services of the Computer Centre fully. The genuine administrative difficulties are to be overcome promptly. It is therefore, proposed to constitute a Committee for the purpose.

ORDER No. PD 155 PST 72, BANGALORE, DATED THE 30TH JUNE 1973.

In the circumstances, stated above, the Government are pleased to constitute a Committee to guide and assist in the working of the Mysore Government Computer Centre of the Bureau of Economics and Statistics, Bangalore, with the following members :—

4.	Joint Secretary, Planning and *Ex-officio* Director of Evaluation and Manpower ...	do

Government have since examined (i) how these orders should be applied in cases where a Government servant has been granted leave preparatory to retirement and attains the age of superannuation on a date other than the 1st of the month and (ii) whether these orders would apply to (a) cases where leave preparatory to retirement applied for by a Government servant has been refused or is refused in the exigencies of public service thereby extending his service and (b) in other cases where extension of service beyond the date of retirement has been sanctioned or is sanctioned.

3. It is hereby clarified as follows :

(a) In the category of cases referred to at (i) above, the Government servant may be permitted to resume duty on the expiry of the leave sanctioned ; he will retire on the after-noon of the last date of that month. If a Government servant

has earned leave to his credit which is adequate to cover the period from the date of expiry of the sanctioned leave to the last date of that month, he may be permitted to extend earned leave to cover this period. For this purpose, Rule 112 of the Karnataka Civil Services Rules is hereby relaxed, wherever required.

4. The provisions of the Government Order dated 29th December 1973 are not applicable to the categories of cases referred to at (ii) (a) and (ii) (b) above.

5. In future, the applicants and the sanctioning authorities may ensure that leave preparatory to retirement ends on the after-noon of the last day of a month.

HOME SECRETARIAT

Bifurcation of the Department of Information and Tourism and abolition of the Film Unit Department–Issues orders regarding.

PREAMBLE :—

The Department of Information and Tourism is presently looking after the activities and functions of the Information as well as Tourism Sections. As a step towards making the field departments of Government more effective and more result oriented, a careful examination has been made of the working and structure of the Department of Information and Tourism. The Department has, for many years, been treated as a relatively minor Department of Government. It deals with a variety of diverse activities including Press and public Relations, Government advertisements publications, production of documentary films, development of Tourism, Song and Drama. It is now being increasingly realised that an effective Department of Information is a most essential requisite for modern administration. At the last All India Conference of Ministers of Information which was attended by the Chief Minister and addressed by the Prime Minister, a review was made of the working of the Departments of Information at the Centre and in the States and it was the general feeling that the information activities of the Government would have to be considerably strengthened, expanded and professionalised.

(2) Similarly, 'Tourism' has gained increasing importance of late because of the urgent need for earning foreign exchange and encouraging foreigners to come to our country. In addition, it is very necessary to provide facilities for internal tourists in this vast country. The provision of facilities for accommodation, transport and other ancillary amenities to the tourists has assumed considerable importance. The Government of India, Department of Tourism is launching massive programme for tourist development on the basis of integrated complexes. A specialised Corporation has been set up at the Centre. There is very little doubt that the State of Mysore is one of the most attractive States from the point of view of tourism and yet, the present infrastructure for tourist development in the State is extremely poor and inadequate unlike the advanced tourist development in States like Jammu and Kashmir and Rajasthan.

(3) Besides, there is a separate department called the Film Unit Department. This department deals with the grant of awards and subsidies for films produced in Mysore State and also the grant of shooting permission for 'out-door' locations. At the present moment, it is the Department of Information which is charged with the reponsibilty of production of documentaries and news-reels. Government have also separately set up a Film Industry Development Corporation which the Government has invested 49 per cent of the share capital. This Corporation will be progressively developing the film industry in the State and will provide various Amenities such as a chain of theatres, film studios, technical and processing laboratories. In these circumstances, the existence of a separate Film Unit Department is considered not essential and it would be in the fitness of things to merge the Film Unit in the Department of Information and Publicity.

(4) If the various activities of Government in the field of Information, Publicity, Public Relations, Tourism are to be effectively executed, there is imperative need for the introduction of specialised techniques and a high degree of professionalisation. The present composite Department of Information and Tourism would not be able to discharge effectively all these responsibilities.

Government have, therefore, carefully examined the proposal regarding bifurcation of the Department of Information and Tourism into two separate Departments as under :

1. Department of Information and Publicity.

2. Department of Tourism.

ORDER No. HD 12 PIE 72, BANGALORE, DATED 30TH OCTOBER 1973.

After considering all the aspects, Government are pleased to order that the present Department of Information and Tourism be bifurcated from a date to be fixed by Government, into two separate Departments *viz.*

1. Department of Information and Publicity; and

2. Department of Tourism.

2. The functions of the two Departments will be as follows:—

(a)Department of Information and Publicity.

This Department would deal with all matters concerning dissemination of 'Information' and public relations of Government and in particular, would cover the following activities :

(i) Press and News Division;

(ii) Publications Division,

(iii) Films Division;

(iv) Commercial Publicity including Government Advertisements,

(v) Publicity through media of Song & Drama; and

(vi) All the activities and functions now handled by the Film Unit Department which is hereby ordered to be abolished from the date the two new departments of Publicity and Information and Tourism come into existence.

(b)Department of Tourism.

This Department would be charged with the responsibility of tourist development in the State and particularly the following activities :

(i) Development of Tourism *infrastructure* including accommodation and transport;

(ii) Tourist publicity and promotion; and

(iii) Training of Tourist Guides and tourist hospitality.

(2) In the field of 'Tourism' Government have already established the Mysore State Tourism Development Corporation. At the present moment, the division of functions between the Department and the Corporation is not clear and there is a tendency for the activities to overlap it is directed that the Corporation should confine itself entirely to commercial activities such as running and maintenance of hotels, motels and restaurants, commercial transport activities and other schemes of a business nature. The Corporation may, however, take on an agency basis, from the Department of Tourism, activities such as preparation of tourist publications for which the former may progressively develop *expertise.*

(3) Government are also pleased to constitute an Official Committee with the Commissioner for Home Affairs and Secretary to Government, Home Department, as Chairman, (2) Commissioner for Finance and (3) Joint Secretary, General Administration Department as Members to decide upon the method of allocating the personnel of the existing departments of Information and Tourism and Film Unit Department to the new department *viz.*, (i) Department of Information and publicity, and (ii) Department of Tourism, on the basis of existing work load and also to divide the vehicles, equipment, furniture and other available facilities

of the two existing department to the two new departments. The Committee may associate the Joint Secretary, Law Department also when the allocation of staff is to be decided.

(4) Besides providing for promotion of suitable officers, provision may also be made for the posts of Director of Information and Publicity and Director of Tourism to be filled on contract basis by appointing persons with required professional competence. The Official Committee will also formulate necessary proposals in respect of posts in both the Departments which may be filled on contract basis and suggest suitable amendments to the Cadre and Recruitment Rules for the purpose.

(5) The bifurcation of the Department will be brought about without any extra cost during the current financial year except for the creation of the post of Director of Tourism, in the scale of Rs. 1000-50-1200-60-1500 and the expenditure on this account will be met out of the plan provision for the current financial year. Proposals for any additional staff. equipment, etc., may be furnished during the next financial year within the plan provisions.

(6) Both the Departments of information and Publicity and Tourism will continue to be housed in the existing premises till such time as alternative Government accommodation becomes available. The Film Unit Department Office will also continue in the existing building till it is housed in a common building.

(7) This issues with the concurrence of the Finance Department *vide* their U. O. No. FD 2465/S/I/73, dated 8th October 1973.

Opening of "personal deposit accounts", for cinema deposits-instructions regarding.

READ :

In Government letter of even number dated 5/6th April 1972 all the District Magistrates who are the licensing authorities under the Mysore Cinemas (Regulation) Act, 1964 were requested to intimate Government the accounting procedure followed by them in complying with the provisions of Rule 26 (1) of the Mysore Cinemas (Regulation) Rules, 1971, in respect of the deposits relating to notifying applications for "No Objection Certificates" in the Gazette, newspapers etc. Government has considered the reports sent by the District Magistrates who have intimated the procedure followed by them in this regard. While a few District Magistrates are of the view that it is necessary to open a "Personal Deposit Account" for the purpose, some are of the view that they do not find such necessity. The District Magistrates are following different procedures in this regard and Government is of the view that it is necessary to prescribe a common procedure to be followed by all uniformly in this behalf.

ORDER NO. HD 86 CNA 71 BANGALORE, DATED 25TH SEPTEMBER 1973.

Under Rule 26 (1) of the Mysore Cinemas (Regulation) Rules, 1971, the licensing authorities are required to publish a notice in the prescribed form and manner to notify to the public the intention of the applicant to construct a cinema building and inviting objections, if any, from them. Such publication of notice shall be at the cost of the applicant. Government is of the view that the proper procedure to be followed in this regard is for the applicants themselves to make direct payments to the newspapers for the advertisements and in the case of publication in the Gazette, they may be asked to credit the charges through the challan in to a Government treasury to obviate the necessity for any refund or accounts to be maintained for the purpose in the Offices of the District Magistrates. The District Magistrates are requested to follow this procedure with immediate effect and discontinue the proceedure of applicants depositing the publication charges with the District Magistrates wherever such procedure is in vogue at present.

Judicial enquiry into the death of Sri Raja s/o Sri Bettegowda in the Hassan Town Police Station on 29th August 1973.

Reference :—(i) Government Notification No. HD 468 SST 73 dated 14th September 1973.

(ii) Government Order No. HD 489 SST 73 dated 22nd September 1973.

(iii) Letter dated 15th October 1973 from Shri R. G. Desai, Commission of Inquiry (Hassan Incident), Bangalore.

PREAMBLE :

On the 29th August 1973, a person known as Raja, son of Bettegowda, aged about 20 years, resident of Nariballi Koppal, Hassan Taluk, died in the Hassan Town Police Station while in police custody. There were allegations that the above person had been ill-treated by the police and that this was the cause of his death. This matter was also discussed in the State Legislative Assembly and the Government promised to have the matter enquired into thoroughly. Immediately on receiving the report of the Sub-Divisional Magistrate, Hassan, Government decided to hold a judicial enquiry into this incident.

ORDER NO. HD 468 SST 73, BANGALORE, DATED THE 3RD NOVEMBER 1973.

In the Notification No. HD 468 SST 73 dated 14th September 1973, Government appointed Shri R. G. Desai, District Judge, Bangalore, as Commission of Inquiry under section 3 of the Commissions of Inquiry Act, 1952 (Central Act 60 of 1952), to enquire and report on :—

(i) the allegation that Shri Raja, s/o Sri Bettegowda, aged about 20 years, resident of Nariballi Koppal, Hassan Taluk, was ill-treated in the Police Station at Hassan on 29th August 1973 resulting in his death ;

(ii) the persons, if any, responsible therefor ;

and

(iii) the conduct of the Police and other officers who have dealt with the matter.

2. The Commission of Inquiry issued notices, both in English and in Kannada, on 19th September 1973 inviting all persons acquainted with the subject matter of the inquiry, to furnish to the Commission statements supported by affidavits. Shri B. V. Acharya, Advocate for the Government filed statements supported by affidavits on behalf of 11 persons and produced 17 documents. Shri K. A. Krishnaswamy, Advocate for Shri Bettegowda (father of the deceased) produced the statement of 8 persons including that of Shri Bettegowda. Shri M. Narayana Rao, Advocate for Shri Adirajiah, Stationery Merchant, produced the statement and affidavit of Shri Adirajiah. The Commission inspected the Hassan Town Police Station where the incident was alleged to have taken place, on the 3rd October 1973, in the presence of the Advocates. On 8th October 1973, the dead body of Sri Raja was got disinterred by the Additional District Magistrate, on the requisition of the learned advocates, in the presence of the father of the deceased and others, and Post-mortem examination was conducted on 8th October 1973 itself by Dr. H. A Somaiah, Professor and Head of the Department of Forensic Medicines, Bangalore Medical College. In all, 19 witnesses were examined before the Commission, in addition the Commission also examined a number of documents filed as exhibits. The report of the Commission was submitted to the Government on 15th October, 1973.

3. The Commission has come to the conclusion that the allegation that Shri Raja, S/o Bettegowda, aged about 20 years, was illtreated by the Police in the Police Station at Hassan, resulting in his death, has not been substantiated

by the evidence on record. In view of the above finding, the Commission has observed that the second point as regards the persons, if any, responsible for the ill-treatment of Raja does not arise for consideration. As regards the third point, the Commission has stated that the officers who have handled this matter are Police Sub-Inspector S. Raju, Dr. Range gowda, Dr. H. D. Indra Kumar and Shri K. G. Rajanna, Sub-Divisional Magistrate, Hassan. According to the Commission, Dr. N. S. Range Gowda had only examined the deceased when he was taken to the hospital and pronounced him dead, and that nothing could be imputed to his conduct. As regards Dr. H D. Indra Kumar, the Commission has observed that his relationship with Shri Adirajiah had nothing to do with his official duties. In the case of Shri K. G. Rajanna, Sub-Divisional Magistrate, Hassan, who conducted the inquest proceedings over the dead body of Shri Raja, the Commission has noticed nothing improper in his conduct in handling this matter. Even as regards P.S.I. Shri S. Raju, the Commission has not found any serious misconduct except some procedural irregularities. Thus, the Commission has not found anything unusual either in the death of Shri Raja in police custody or in the conduct of officers who dealt with the matter.

4. The Government have carefully considered the report of the Commission of Inquiry and accepted its findings. As regards the procedural irregularities attributed to Sub-Inspector Shri Raju, the Inspector General of Police is requested to take suitable action against him after holding a departmental enquiry according to the rules.

Application of Provisions of K.C.S.Rs. to the Employees of Taluk Development Boards and Panchayats.

CIRCULAR

No. DPC. 94 BDB 73, BANGALORE DATED 28TH NOVEMBER 1973

During the Meeting held in the Chambers of the Minister for Community Development and Social Welfare on 8th October 1973, the matter relating to the following Probloms, posed in the Memorandum given by the Members of the Legislature were examined.

1. The Taluka Development Board Employees are not paid pension on retirement and Provident fund also does not exist.

2. Though there is provision for payment of gratuity at low rates, it is left to the discretion of Taluk Development Boards.

3. Leave and Travelling allowance Rules and less beneficial than those applicable to Government Servants;

4. Taluka Development Board Employees are not entitled to subsistance allowance during suspension period.

The benefit of gratuity is already in existence. For extending benefits like Pension, leave rules, payment of subsistance allowance, fixation of pay, grant of increments etc., the financial stability of the Taluka Development Boards has to be taken into consideration. Many of the Taluka Development Boards have indiscriminately recruited candidates to work in their offices beyond their financial capacity, sacrificing developmental activities. Basic amenities like the maintenance of water supply schemes, school buildings, Primary Health Centres etc., have been neglected for want of funds with the result that the huge amounts invested on the creation of assets in Rural Parts have gone waste.

In order to improve the service conditions of Taluka Development Board employees, it has however been decided that all benefits of service under K.C.S.Rs., excepting pension be extended to the existing staff of the Taluk Development Boards subject to their financial condition being sound and with prior approval of the competent authority.

Under Section 119 (2) of the Karnataka Village Panahayats and Local Boards Act, 1959, every Taluk Development Board shall be entitled to employ such officers and servants as may be necessary for the discharge of its duties. Under this provision, the Taluka Development Boards, have recruited certain staff. On the Community Development Side, every Block office has been manned with the staff employed by Government according to the staffing pattern. It should be possible to manage the Administration with the staff sanctioned to every Block treating both the Taluk Development Board and Community Development as a single unit for purposes of administration.

With a view to strengthening the financial position of the Taluka Development Boards, so that they can implement the Developmental schemes successfully it has been decided that the Taluka Development Boards should stop recruiting further staff to their offices. Existing staff employed by the Taluka Development Boards will continue till their retirement and there will be no further recruitment and the Administration will have to be run by the staff attached to the Block office.

The Divisional Commissioners are requested to impress on the Taluka Development Boards the need to adhere to the above instructions with immediate effect in their own interest.

The Railway Authorities are levying Special Supplementary Charges with effect from 1st April, 1973 for travelling by Super-fast Express trains in reserved accommodation. The question of reimbursement of these Special Supplementary charges to Government Servants in respect of all journeys for which travelling allowance is admissible to them has been under the consideration of Government. It has been decided that the Special Supplementary Charges (exclusive of reservation fee) should be reimbursed to the Government employees in the same way as the amount of rail fares for all journeys for which travelling allowance is admissible to them under the rules. The reservation charges will, however, continue to be inadmissible.

In cases where the journey for which travelling allowance is admissible is performed otherwise than by railway and when T.A. is restricted to the amount which would have been admissible had the journey been performed by rail, the amount to be reimbursed shall not include Special Supplementary Charges.

CHIEF SECRETARIAT

Observance of silence on Wednesday the 30th January 1974 in memory of those who gave their lives in the struggle for India's Freedom

OFFICIAL MEMORANDUM

No. GAD 2 PLX 74, BANGALORE, DATED 10TH JANUARY 1974.

As in previous years, silence should be observed on the morning of January 30th 1974 at 11-00 A.M. in memory of those who gave their lives in the struggle for India's Freedom and attempt made to bring as large a stoppage of work and movement as possible throughout the State. The following procedure is to be observed in this connection :—

(1) The silence should be observed in all the cities and towns in the State at 11-00 A.M. on the 30th January 1974, and it will last for two minutes.

(2) A signal (through sirens wherever possible) should be sounded at 11-00 A.M. on hearing of which all those inside offices, Schools and other places of assembly should stand where they are for observing the silence. It would be more effective and impressive if people working in offices gather in some room in the office itself for the two minutes silence, instead of each person remaining in his own room for observing the silence. If the number of employees is large in an office, there may be more than one gathering. No effort need be made for people to collect together if it will involve serious dislocation. All workshops and factories should stop work where practicable. Traffic on roads should come to a stand still.

(3) The Heads of Departments and Deputy Commissioners of Districts are requested to take suitable action to carry out the above directions in a befitting manner.

(4) The Inspector-General of Police, Karnataka State, Bangalore will make necessary arrangements for sounding of signals either by firing guns or blowing sirens in Bangalore and at the District Headquarters to the extent possible.

IMPORTANT GOVERNMENT ORDERS

FINANCE SECRETARIAT

Removal of anomaly in fixation of pay on promotion to a higher post consequent upon the introduction of selection time scale.

OFFICIAL MEMORANDUM

No. FD 3 SRP (3) 74, BANGALORE, DATED THE 21ST JANUARY 1974.

In Government Order No. FD 37 SRP (1) 71, dated 22nd February 1971, orders were issued, *inter alia*, regarding grant of selection time scales of pay in cases in which there are no chances or limited chances of promotion. Since the grant of selection time scale of pay is not considered as a promotion, the pay in the selection time scale is not regulated in accordance with the provisions of rule 42-B of the Karnataka Civil Services Rules, but is fixed at a stage next above the pay last drawn by a Government servant immediately before the grant of the selection time scale of pay.

2. A case has been brought to the notice of Government in which 'A', the senior of two Second Division Clerks 'A' and 'B', was promoted as First Division Clerk before he became eligible for the grant of selection time scale of pay relating to the post of Second Division Clerk. 'B' was eligible for grant of the selection time scale of pay before his promotion as First Division Clerk. Fixation of pay of 'A' in the scale of pay of First Division Clerk and that of 'B' first in the selection time scale of pay of the Second Division Clerk and, thereafter, as First Division Clerk has resulted in the anomalous position of 'B's' pay of First Division Clerk being fixed at a stage higher than that of his senior 'A'.

3. It is necessary to remove such anomalies. While it is possible to do so by suitably stepping up the pay of the senior in the pay scale of the promotional post, this will virtually mean granting him selection time scale of pay which is not due to him, and denying the same to others similarly placed but in whose cases there are no anomalies of the type referred to above (because there is no junior whose pay is fixed in the pay scale of the promotional post with reference to his pay in the selection time scale of pay of the lower post). After careful consideration, it has been decided to make appropriate provision which would help to remove such anomalies and also ensure some benefit to others not affected by such anomalies.

4. Government accordingly direct as follows :

When a Government servant promoted to a higher post becomes eligible for the grant of selection time scale relating to the lower post, any time after he was so promoted he may be given the option to continue to draw the pay in the scale of pay of the lower post, immediately preceding the date of his promotion, till the date on which he becomes entitled to the grant of selection time scale of pay in relation to his lower post and on such date his pay may be fixed first in the selection time scale of pay relating to the lower post and, thereafter, in the scale of pay of the higher post in accordance with the normal rules, as if he had been promoted to the said higher post, after he had been granted the selection time scale of pay.

IMPORTANT GOVERNMENT ORDERS

Waiving of interest on advances such as House Building Advance/House Purchase Advance/House Repair Advance etc., in respect of advances to Government servants who die while in services—sanctioned.

PREAMBLE:—

The Indian Administrative Service Association, (Karnataka State Branch) has recommended that the interest payable on the House Building Advance drawn by late Shri V. S. Bhat, IAS., who was one of the victims of the Boeing Air-Crash near Delhi on 31st May 1973 may be waived and that the recovery may be limited to the outstanding principal amount. The Association has also recommended that a similar concession may be shown to all Government servants employed in the State, who die while in service and before completing the repayment of the House Building Advance.

ORDER NO. FD 268 PLH 73, BANGALORE, DATED 15TH DECEMBER 1973.

Government have carefully considered the above suggestion. There is no doubt that the death of the earning member places the family of the deceased Government servant in difficult circumstances. Family Pension cannot be a full substitute for the salary lost. It is therefore necessary to view this request from humanitarian and sympathetic stand point.

Government are therefore, pleased to direct that in the event of the death of a Government servant in service before repayment in full of the principal and interest of the House Building/House Purchase and House Repair advance drawn by him, the balance of interest due from him on such advance at the time of his death shall be waived.

This order comes into effect from 1st May 1973.

T. R. SATISH CHANDRAN,

Financial Commissioner and Secretary to Government, Finance Department.

(3) Letter No. GB/MHS of 1973-74, dated 16th June, 1973, from the President, Gadag-Betgeri City Municipality.

PREAMBLE :—

The conditions stipulated in para 1 of the Government Order dated 30th April, 1971, read above were made known to all the Local Bodies through the Deputy Commissioners concerned before the question of taking over of the Local Body High Schools was considered. According to the conditions the Local Bodies are required to hand over the management of the High Schools run by them un-conditionally with all assets and liabilities. Accordingly and as provided under para 5 (7) of the Government Order dated 30th April, 1971, the Municipal Higher Secondary School, Gadag-Betgeri was taken over by Government along with certain other schools with effect from 1st April, 1973, as per Government Order No. ED 16 MML 72. dated 29th May. 1973.

Subsequently, the President, Gadag-Betgeri Municipality, Dharwar District, in his letter dated 16th June, 1973, read (3) above has stated that the Government Order dated 29th May, 1973. cited above was placed before the General Committee meeting specially convened on 16th June 1973, for its consideration and the General Committee, after considering all the aspects, has resolved to hand over the Municipal Higher Secondary School, Gadag with all its movable and immovable properties to the Government on the following conditions :—

The stand now taken by the Gadag-Betgeri Municipal Council in its Resolutions No. 46 dated 16th June, 1973, is not in consonance with conditions stipulated in Government Order dated 30th April, 1971, in the basis of which the Municipal Higher Secondary School Gadag-Betgeri has been ordered to be taken over by Government sn the Government Order dated 29th March, 1973, read above.

2. G. O. No. PWD 330 SMS 68, dated 6th March 1969

4. Letter No. BCES/340/71-72 dated 9th February 1972 from the Chairman, Board of Chief Engineers, Bangalore-1.

PREAMBLE :—

The Agreement form of the P. W. and Electrical Department was revised in the G. O. cited at (1) above and included in the M. P. W. D. Code, Vol.-II as Form PWG 65 (a).

The sub-clause (iv) of Clause 15 of Form No. PWG 65 (a) appearing at page 133 of the M. P. W. D. Code, Vol.-II was ordered to be deleted in the G. O. cited at (2) above.

The C. E. (General,) Bangalore in his letter cited at (3) above states that the deletion of the sub-clause (iv) of Clause 15 has caused much difficulty for the Department to carry on work entrusted to the Contractor. Before the deletion of the Sub-clause, the period of stoppage could not exceed six months, after which period the portion of work so stopped was deemed to have been deleted from the Agreement. With the deletion of the entire sub-clause, there would not be any restriction as to the period upto which the whole or part of a work could be stopped from being carried out by the contractor. To avoid all these complications, it has been suggested that the time limit of six months for stoppage of work be introduced and the work stopped beyond this period and deleted could be paid for as an extra item under the provisions of clause 13 (ii).

The proposal of the C. E. (General), Bangalore, was referred to the Board of C. Es., with a request to furnish their views in the matter. The Board resolved that the modified clause under 15 (iv) of the Agreement Form 65 (a) be introduced.

ORDER NO. PWD 45 FCR 72, BANGALORE, DATED 25TH SEPTEMBER/22ND OCTOBER 1973.

After examining all the aspects of the case, Government are pleased to introduce the following sub-clause (iv) to clause 15 of the Agreement Form PWG 65 (a) *viz.*,

"The period of stoppage ordered by the Executive Engineer or other competent authority should not ordinarily exceed six months. Thereafter the portion of work so stopped may be treated as deleted from this agreement if a notice in writing to that effect is given to the Executive Engineer or other competent authority by the Contractor within seven days after the expiry of the above period. The portion of work thus deleted be got executed on supplemental agreement on mutually agreed rates which shall not exceed current schedule of rates. If the rates cannot be settled at reasonable rates with the tendered contractor by mutual agreement, the work may be got executed either departmentally or through other agencies.

Proper maintenance of Service Books to expedite disposal of pension claims—Instructions regarding.

CIRCULAR

No. FD(Spl.) 5/CCP 73, BANGALORE, DATED THE 24TH DECEMBER 1973.

The attention of all Heads of Departments and Heads of offices is invited to Rule 407 of the K C. S. Rs. The Head of an office is required to show, every year, to all the Government servants working under his administrative control their Service Books and to obtain their signatures in token of having seen and verified the entries in these books. It is also prescribed in that rule that a certificate to the effect that he has done this in respect of the preceding financial year should be submitted by him to his next superior officer by the end of every September. These provisions of the Rules are meant to give an opportunity to each Government servant to ensure that the entries made in his Service Book are correct and complete. Unless every event in the official career of the Government Servant is recorded immediately in sufficient detail in his Service Book, pension cannot be settled without delay.

2. The Accountant-General has brought to the notice of Government that he is finding it difficult to finalise the pension claims of retired officers since the Service Books accompanying the pension records are not maintained properly by the Heads of offices. The pension records are returned on many occasions owing to omissions and defects requiring rectification in the Service Books and this results in delay in the finalisation of pension claims.

3. The Peripatetic party in the Finance Department has reported that in many cases delay in finalisation of pension claims is due to the loss of the Service Books of the retired Government servants. According to Rule 397 of the K. C. S. Rs., the Service Books of the Government Servants should be kept in the safe custody of the Head of the office and the loss of Service Books would indicate negligence on the part of the Head of the office.

4. All the Heads of Departments and offices should ensure that correct entries are made promptly in the Service Book of every Government servant working under them in sufficient detail and that the Service Book is shown without fail to the Government servant every year and his signature obtained in it in token thereof. Any lapse in observing the provisions of the K. C. S Rs., regarding the proper maintenance of Service Books will be viewed seriously and the officer responsible for such lapses will be liable for disciplinary action.

Giving priority to economically backward classes especially S. Cs/S Ts in the matter of Grant of Takavi and land improvement loans.

Circular No. RDF 59 TKV 73, Bangalore dated 18th August 1973

"Till recently loans from Government were the only resources available for agriculturists for normal cultivation expenses as well as for effecting improvements of land, apart from the funds advanced by the local money lenders. Institutional credit through Co-operatives, Land Development Banks and Scheduled Banks (both Nationalised and non-Nationalised) has become available during recent years both for current expenses of agriculture and for permanent improvements. The Institutional credit during 1972–73 for agricultural crop loans and permanent improvements would be in the order of Rs. 84.50 crores. As against this, the Budget provision for direct loans to agriculturists was only 2.3 crores under Takavi loans and 2.5 crores under Land Improvement loans.

In view of the massive efforts made to provide institutional credit for agriculture, Government consider it necessary that the limited funds provided in the State Budget under L. I. loans and Takavi loans should be earmarked for grant of loans exclusively to the economically backward classes specially S. Cs & S. Ts who may not be able to get loans from Co-operatives and Commercial Banks in view of their requirements of share capital contribution and margin money. The officers who are empowered to sanction Takavi and Land Improvement loans are hereby directed to give priority to the applications from the economically backward classes especially the S. Cs & S. Ts while granting loans. To the extent possible the loans granted to these economically backward classes should be for providing share capital contribution or margin money so that they can draw greater quantum of finances from the financing institutions. The subsequent mortgage/charge in favour of financing institutions will get priority over the charge created in favour of Government earlier for drawing the share capital contribution/margin money. This has the concurrence of the Finance Department *vide* No. FD 2534/W and S II/73, dated 6th July 1973.

Sub-Revised procedure for reporting the expenditure incurred on the personnel trained in the A.N.P. and reimbursement of the amount from the UNICEF.

READ :—

1. Circular No. DPC 85 DTR 69 dated 21th June 1969.
2. Circular No. DPC 133 DTR 69 dated 23rd October 1969.

PREAMBLE :—

In the Circular cited first above, information regarding the requirements and conditions of training of officials, and non officials, role of the training authorities, place of training etc., are mentioned in detail. In the circular cited second above, the financial and other related aspects of training including the procedure for reimbursement have been clarified.

Under the existing procedure, the expenditure incurred on the T.A. and D.A. paid to the officials and non-officials in connection with their training in the A.N.P. is met initially by the State Government and later on it is reimbursed by the UNICEF. As the T.A. is debitable to the same head as the salary, the expenditure incurred on the training of the several categories of Government servants in A.N.P. is debited to the concerned heads of accounts of the respective Departments or offices from which the officials are deputed for training at the Administrative Training Institute or the Rural Development Training Centres. The Block Development Officers have to collect the particulars of such expenditure incurred on T.A. and D.A. paid to the trainees from several offices from which they were deputed and record the same in the prescribed form to enable them to prefer the claim with the UNICEF. The present procedure of obtaining the information from the Block Development Officers and some other reporting officers regarding the amount of T.A. and D.A. paid to the personnel trained in A.N.P. during each quarter and preferring the claim with the UNICEF. for all the training courses held during each quarter at all the training centres will not be suitable hence forth as the UNICEF has intimated that the claims for reimbursement by the State Government should be preferred within a period of Six months at the end of each such course. Further from the past experience it is observed that the present procedure of obtaining the particulars of expenditure incurred from the Block Development Officers and the offices from which the officials or officers are deputed for training and of preferring the claims with the UNICEF. for each quarter for all the training course held in all the Training Centres not only involves elaborate correspondence with the reporting offices but also entails abnormal delay in obtaining the required information from the reporting offices. Besides UNICEF authorities have categorically stated now that the claims by the State Government should be made as per the revised procedure and that delayed claims would not be entertained. An assurance has also been given to the UNICEF authorities that the claims in respect of the reimbursement of the expenditure incurred with effect from 1st April 1974 in the State in the training of the several categories of personnel in the A.N.P. will be preferred with the UNICEF. separately for each course of training within a period of six months from the date of closure of such individual course.

In view of the foregoing reasons Government has decided that the existing procedure relating to the drawal and disbursement of T.A. and D.A. to the trainees and furnishing of information to the Development, Housing, Panchayat Raj and Co-operation Department for preferring the claims with the UNICEF. for reimbursement of the expenditure incurred on the training of the official and non-official in the A.N.P. should be revised.

ORDER NO. DFC 13 ANT 73, BANGALORE DATED 25TH JANUARY, 1974.

In partial modification of the Government Circular No. DFC 85 DTR 69 dated 21th June 1969 and No. DPC 133 DTR 69 dated 23rd October 1969 it is hereby directed that the following revised procedure may be followed by all the officers connected with the implementation of the A.N.P. in the state in regard to the training of the personnel in the A.N.P., payment of T.A. and D.A. to the officials and non-officials trained in A.N.P. etc.

The Technical Audit Cell has now been transferred to the control of the State Vigilance Commission. The Superintending Engineer of the Technical Audit Cell, has now in his letter dated 28th September 1972, read at (ii) above stated that the work relating to the Scrutiny of the applications for licences for construction of residential/non-residential buildings shops, hospitals, etc. is being attended to by the respective Engineering Departments of the Corporations and other local bodies and that crutiny of the plans of such construction works is of a technical nature and they would be required to be checked or audited by the Technical Audit Cell in order to ensure that while scrutinising the plans of these works, the rules and regulations prescribed by Government are followed and the applications for licences are dealt with promptly by the above agencies. It is, therefore, recommended to Government that the aforesaid item of works may also be specifically brought within the purview of the functions of the Technical Audit Cell of the State Vigilance Commission.

Scheme of sanction of pension to freedom fighters effective from 15th August 1972—difficulty in obtaining Jail certificates by the applicants setting up of Committees.

READ:—

1. Government order No. GAD 315 (II) PFS 72 dated 24th August 1972.
2. Letter No. 8/30/73-FF. II dated 23rd March 1973 from the Government of India, Ministry of Home Affairs, New Delhi.
3. Letter No. F.2//6?/72-TAC dated 7th May 1973 from the Government of India, Ministry of Home Affairs, New Delhi.

PREAMBLE:—

In Government Order No. GAD 315 (II) PFS 72 dated 24th August 1972 a committee consisting of the following Members has been constituted for selecting freedom fighters to be honoured by award of tamra patras/certificates in the State as also places in the Community Development Blocks for erection of granite slabs with the inscription of the names of martyrs on them :—

1) President, Mysore Pradesh Congress Committee or one of the General Secretaries deputed by him.
2) Shri M. V. Rama Rao, M.L.C.
3) Shri K. F. Patil, M.L.A.
4) Shri H. S. Narasaiah, M.P.

The Committee co-opted the following two members:-

1) Shri Raghavendrachar Jagirdar
2) Shri K. R. Sridharamurthy

Government of India under the Freedom Fighters Pension Scheme, 1972, grant pensions to living freedom fighters, their families, if they are no more alive, and the families of martyrs. While applying for grant of such pension every applicant is required to produce with his application, *inter alia*, certificates from jail authorities/District Magistrates for having suffered imprisonment/detention for a period of not less than six months. It has also been provided in the scheme that where certificates of imprisonment are not available due to records being destroyed, an affidavit by the applicant about his/her imprisonment supported by a certificate from a sitting M.P. or M.L.A. or from an Ex-M.P an Ex M.L.A. who had been in jail with him/her as co-prisoner specifying the period of imprisonment would be accepted.

It has been brought to the notice of Government of India that many freedom fighters were unable to obtain certificates from jail superintendents or District Magistrates about their political sufferings i.e., imprisonment etc. They were also unable to get certificates from M.P./EX-M.P., M.L.A./Ex M.L.A. who had been in jail with him/her as co-prisoner as they were not aware of such persons In the circumstance, Government of India in letter of 23rd March 1973 felt that if committees at State and District Levels scrutinised their claims and satisfied themselves about their political sufferings a certificate signed by some officer on behalf of the Committee could be issued to enable Government to process applications and to forward them to the Government of India. They also felt that these committees could also examine the applications for award of tamra patras and similar certificates issued on behalf of the Committee if the Committee is satisfied about the bonafides of the case. They have, therefore suggested to the State Governments to consider the feasibility of constituting such committees to scrutinise cases where there is no clear evidence of political suffering in the absence of jail certificate or a certificate of District Magistrate or a certificate from M.P./Ex-M.P., M.L.A./Ex-M.L.A. who had been in jail with him/her as co-prisoner specifying the period of imprisonment.

ORDER No. GAD 941 PFC 73, BANGALORE, DATED THE 22ND OCTOBER 1973.

After considering all aspects of the matter, Government is pleased:—

(i) to entrust to the Committee constituted under Government Order No. GAD 815 (II) PFS 72 dated 24th August 1973 the work of scrutiny of cases of Freedom Fighters who are unable to obtain certificates from Jail Superintendents or District Magistrates or from M.Ps./M.L.As. present or past, who were with them as co-prisoners, for having suffered imprisonment/detention for a period of not less than six months and issue of certificates; and

(ii) to authorise the Deputy Secretary to Government and the Under Secretary to Government who are incharge of Political Pension Sections in the General Administration Department, to sign certificates on behalf of the Committee.

PUBLIC WORKS AND ELECTRICITY SECRETARIAT

Retransfer of trees on the road side widths to P W. D from the Forest Department

REFERENCE—G. O. No. PWD 46 CRM 71 dated 3rd May 1971.

PREAMBLE :—

In Government order No. PWD 46 CRM 71 dated 3rd May 1971 it was ordered that among other things, the trees on all road side widths of the national and State Highways in the State should be transferred to the Forest Department subject to the following conditions:—

(i) The Forest Department should see that no branch of a tree is less then 16' above the surface of the road as per I. R. C. Standards;

(ii) Whenever a tree, or a branch of a tree, were to fall on the road surface, Forest Department should take immediate action to clear it from the road, so that the traffic is not interrupted.

(iii) Whenever a tree, or a branch of a tre is in a dangerous condition, then the Forest Department should take immediate action to remove such tree, or a branch of a tree so as to prevent any untoward happenings.

(iv) If any tree is required to be felled on the road strips belonging to a National Highway, prior permission from the Central Government to do so, will be necessary till such time as a general agreement from the Central Government has been obtained in this regard

(v) The planting of trees on the sides of National Highways should be done in accordance with the Circular instructions issued by Government of India from time to time.

2, The Chief Engineer (C and B) and the Chief Engineer, National Highways have reported to Government the practical difficulties encountered as a result of transferring the trees to the Forest Department and implementing the orders of Government. The main difficulties they have brought to the notice of Government are as under ;—

(i) Whenever any trees or its branches fall across the road due to gales or other causes, the removal of the obstruction to traffic cannot be done by the Public Works Department Road Maintenance Staff then and there as hitherto since the trees are the property of the Forest Department and the officers of that Department have to clear the obstruction as per the stipulation contained in the G O. No. PWD 46 CRM 71 dated 3rd May 1971. The Public Works Department staff like road gang coolies etc., are not empowered to cut and remove the fallen tree or branches obstructing the flow of traffic.

(ii) Similarly whenever any tree or branches of a tree is in a dangerous condition, the Public Works Department staff who are in-charge of the road can only intimate the Officers of the Forest Department and will have to wait until they take appropriate action and non-removal of such dangerous tree constitutes a source of danger to life and property. If this is entrusted to Public Works Department only, it would be better to take timely action to remove the dangerous trees or portions of the same.

(iii) As per the National Highway Act, 1956 the ownership of all fences, trees, posts etc , on the National Highways vests with the Union Government. Consequently, transfer of the trees by the State Government to the Forest Department may have to be intimated to the Government of India and their concurrence obtained as an amendment to the National Highways Act.

3. It is further pointed out that whenever new trees are planted, they required to be watered reared and maintained in the initial stages. The Public Works Department has engaged at present about 10,000 gang coolies and that an amount of about Rs 1.00 crore to Rs 1.25 crores is being spent on them every year. The work turned out by them is too inadequate compared to the amount spent on them. It would be most advantageous to utilise their services of these gang coolies for planting and protection of avenue trees, as they are expected te be always on the roads while on duty.

ORDER No. PWD 46 CRM 71, BANGALORE DATED THE 30TH OCTOBER 1973.

In view of the circumstances explained, it is hereby ordered that in partial modification of orders issued in Government Order No. PWD 46 CRM 71 dated 3rd May 1971, all the trees on road side widths of all the roads in charge of the

Public Works Department except those on foreshore lands of reservoirs, are retransferred to Public Works Department from the Forest Department. It is the responsibility of the Public Works Department for planting, protecting and rearing the avenue trees on roadside widths, according to the practice prior to the issue of the Government Order cited above.

2. Technical advice regarding the species of trees to be planted etc., may however be obtained from the Forest Department. The Forest Department may also supply plants to the Public Works Department.

3. This Order issues with the concurrence of Agriculture and Forest Department and Finance Department U.O. No. 7058 dated 4th September 1973 and No. 3753/FC/73 dated 24th September 1973.

HEALTH AND MUNICIPAL ADMINISTRATION SECRETARIAT

Department of Health and Family Planning Services—Creation of the post of Additional Director—Sanction of.—

PREAMBLE :—

The Medical and the Public Health Departments which had separate Directors were amalgamated in the year 1965, considering their homogeneity and the need for greater and effective coordination. The Director has been designated as Director of Health and Family Planning Services and Head of the Department for the combined Department. Ever since the date of amalgamation the activities of the Department have been increased enormously due to the Plan programme activities and other allied administrative matters of the Department. Due to the expansion of the Family Planning Services in the Directorate under planning programme, the work and the responsibilities of the Director of Health has also been increased. In the Directorate of Health and Family Planning Services at present the Director is assisted by seven Joint Directors, two Deputy Directors and twelve Assistant Directors in the administration of the Department and to watch the progress of the work on the various programmes taken up from time to time for implementation. There has been an alround increase in the work of the Departmene and it would be very difficult for the Director to manage single handed the onerous duties of the Department.

With a view to rationalising the work of Senior Officers of the Directorate of Health and Family Planning Services, the General Administration Department (ERB) after assessment of workload, has suggested *inter alia* for creation of one post of Additional Director of Health and Family Planning Services by upgrading the post of a Joint Director.

ORDER No. HMA 26 MSD 72, BANGALORE DATED THE 27TH DECEMBER, 1973

Sanction is accorded to the creation of one post of Additional Director of Health and Family Planning Services in the scale of pay of Rs. 1,300-60-1,800 with a special pay of Rs. 200 p.m. attached to it, in the Directorate of Health and Family Planning Services by upgrading the post of a Joint Director for a period of one year from the date on which the said post is filled up.

Separate orders will be issued regarding the distribution of work among the Director and the Additional Director.

This order issued with the concurrence of the Finance Department *vide* its Un-Official Note No. FD 10-1692/S-1173 dated 28th November 1973.

Augmentation of Civil and Armed Force in Chitradurga District.

READ :—

1. Government Order No. HD 118 EMT 58, dated 6th July 1959.
2. Letter No. 64/RLN-5/72, dated 3rd November 1972 from the Inspector General of Police, Mysore State, Bangalore.

PREAMBLE :—

The District Police Force of Chitradurga District was reorganised in the Government Order dated 6th July 1959 read above. The Inspector General of Police has now sent proposals for partial reorganisation of the Police set-up in Chitradurga District.

At present there are two Police stations in Davangere i.e., Davangere Town Police Station and Davangere Extension Police Station. When these Police Stations were established in 1959 under the reorganisation scheme the population of the entire City of Davangere was only 56,000 and the area covered was only 7.5 square miles. The Municipal Limits of Davangere City covers an area of over 12.5 square miles at present and the population of the city is about 1,21,110. With the increase of population and the extension of the area of the City especially with the fast industrial development and increase in the labour population, the problems for the Police have also increased. The Inspector General of Police has therefore proposed to create another Police Station in the jurisdiction of the Davangere Town Police Station reducing the jurisdiction of this Police Station so that it can effectively cope with the growing law and order problems. He has proposed to locate the proposed new Police station at Azadnagar under the name " Azadnagar Polic Station ". Similarly the Inspector General of Police has proposed the creation of another Police Station in the jurisdiction of Davangere Extension Police Station. At present the Davangere Extension Police Station has jurisdiction over an area of 11 Square K ms and major Textile Mills and industries besides the Medical College, Engineering College, Arts and Science Collage, Polytechnic Institute are all situated in the jurisdiction of this Police Station. For these reasons, the Inspector General of Police has proposed to create another Police Station in the jurisdiction of the Davangere Extension Police Station and name it as " Bandur Camp Police Station ". The Inspector General of Police has requested sanction to the creation of additional posts of five Sub-Inspectors, four Assistant Sub-Inspectors, eleven Head Constables and 52 (fifty two) Police Constables to be allocated among the proposed new Police Stations.

At present there are two Police Sub-Divisions in Chitradurga District namely Chitradurga Sub Division and Davangere Sub-Division. The area and the population under these two Sub-Divisions are as follows (Taluk-wise).—

Sl. No.	Name of Taluk	No. of villages.	Area in Square K ms.	Population.
1.	Chitradurga Taluk (Bharamasagar PS only)	40	344	52,471
2.	Challakere Taluk	161	2,075	1,83 012
3.	Jagalur Taluk	128	968	97.549
4.	Davangere Taluk	152	968	2,76,979
5.	Harihar Taluk	72	488	1,23,872
6.	Molakalmuru Taluk	72	739	73,317
		625	5.572	8,07,230

Davangere Sub-Division is a very heavy Sub-Division for one Sub-Divisional Police Officer to exercise effective supervision over four Circles, 15 Police Stations and nine Outposts. The Inspector General of Police has therefore recommended the creation of a new Sub-Division at Challakere and the provision of a staff consisting of one Deputy Superintendent of Police, 2 (two) Police Constables, one Typist and one I Division Clerk.

The sanctioned strength of the District Armed Reserve in Chitradurga is as follows :—

At Chitradurga:—1 Headquarters Platoon, 1 Active Platoon with a staff of 1 R.P.I., 1 R.S.I, 2 A.R S.Is, 16 HCs and 74 A PCs. At Davangere : 1 Headquarters Platoon, 1 Active Platoon with the staff of 1 R S I, 1 A R S-I, 9 A.H.Cs and 62 A P.Cs. The total strength of D.A.R. in Chitradurga District is 1 R.P.I, 2 A R.S.Is, 3 A.R.S.Is, 25 Armed Head Constables and 136 Armed Police Constables.

The Inspector General of Police has stated that considering the strength of the District Armed Reserve and the quantum of work they are called upon to perform, the District Armed Reserve both at Chitradurga and Davangere requires to be augmented immediately. The Inspector General of Police has accordingly requested sanction to the creation of additional posts of 4 Reserve Sub Inspectors, 3 Armed Reserve Sub Inspectors, 20 Head Constables and 96 Police Constables on the strength of the District Armed Reserves at Chitradurga and Davangere.

ORDER No. HD 300 PEC 72, BANGALORE, DATED 23RD JULY, 1973

The proposals for partial reorganisation of the District Police Force of Chitradurga district envisage the following:—

(i) Creation of 2 additional Police Stations in Davangere City;

(ii) Transfer of Mayakonda Police Station from the jurisdiction of Jagalur Circle to that of Harihar Circle;

(iii) Creation of an additional Police Sub-Division with headquaters at Challakere;

(iv) Augmentation of the strength of the District Armed Reserve.

After considering the report of the Inspector General of Police, Government hereby accord sanction to the proposals as detailed above.

The total recurring expenditure on account of the additional staff involved in the proposals amounting to Rs. 6,42,769 (Rupees six lakhs, forty-two thousand, seven hundred and sixty nine) only as indicated in the statement appended will be met out of the grants under "23 Police" by reappropriation.

Sanction is also accorded to the purchase of three Fargo 165 W.P. Petrol Engine at Rs. 52,022 (Rupees fifty-two thousand and twenty two) only each.

However, in view of the need for utmost economy in expenditure, only 50 per cent of the posts sanctioned above should be filled during 1973-74 and the remaining posts should be filled up only after the expiry of the current financial year.

This order issues with the concurrence of Finance Department *vide* their U.O.No. FD 1236/SI, dated 5th June 1973.

SOCIAL WELFARE AND LABOUR SECRETARIAT

Welfare of Backward Classes—Scheme of training Schedulde Castes and Scheduled Tribes candidates in Typewriting and Stenography in the recognised Institution, Bangalore—Sanctioned.

READ.—(1) G. O. No. PSW 217 SRW 67, dated 17th July 1968.
(2) Correspondence ending with letter No. DSW/EMP-2/PR.9/73-74, dated 5th November 1973 from the Director of Social Welfare, Karnataka, Bangalore.

PREAMBLE.—In the G. O. read at (1) above, sanction was Accorded for the scheme of training 50 Scheduled Castes and Scheduled Tribes candidates in Typewriting and Stenography in the recognised Institutes at Bangalore, through the Director of Public Instruction, Bangalore.

The Director of Social Welfare, Bangalore, has stated that 15 per cent and 3 per cent posts of Stenographers and Typists have been reserved in favour of Scheduled Castes and Scheduled Tribes candidates in Government services, Public Undertakings and local bodies and these posts are not being filled up by them as sufficient number of qualified candidates are not available among them to fill up the posts of Stenographers and Typists. Hence, during the year 1973-74, he has selected 100 candidates instead of 50 and sent 50 candidates for training in Typewriting and Stenography and another 50 candidates in Typewriting on the basis of marks obtained by the candidates in English and Kannada in the S. S. L. C. Examination.

He has further stated that the Director of Public Instruction, Bangalore, has reported that payment of stipends at the rate of Rs. 50 per head, per month, is not adequate and the candidates who have been permitted to undergo training in Typewriting and Stenography are reluctant to join the training classes as the stipend of Rs 50 per month paid to them is not sufficient to maintain themselves in Bangalore city as the cost of living has gone up considerably and the graduate trainees who are undergoing training in Typewriting and Stenography are being paid a stipend of Rs. 200 per month whereas the S. S. L. C., Passed candidates are paid Rs. 50 per month and the disparity in stipends paid to graduates and undergraduates is very much.

The Director of Social Welfare, Bangalore has, therefore, requested to communicate Orders of Government to enhance the rate of stipend from Rs. 50 to Rs. 75 P. M., and also to ratify the action taken by him in deputing 100 candidates instead of 50.

ORDER NO. SWD 408 SED 73, BANGALORE, DATED 4TH JANUARY 1974.

Sanction is accorded to the proposals of the Director of Social Welfare, Bangalore to enhance the rate of stipend from Rs. 50 to Rs. 75 (Rupees Seventy-five only) per month to each of S. S. L. C. passed Scheduled Castes and Scheduled Tribes candidates, who are undergoing training in Typewriting and Stenography at Bangalore.

The action taken by the Director of Social Welfare in deputing 100 candidates instead of 50 for training in Typewriting and Stenography, during the year 1973-74 is ratified, subject to the condition that the expenditure is accommodate within the budget provision.

The expenditure on this account is debitable to "39 Miscellaneous Social and Developmental Organisations-j-Developmental Schemes (i) State Plan-C-Welfare of Backward Classes-1-Welfare of Scheduled Castes-Education-5-Stipends to trainees in ITI/JTCS" during 1973-74.

Reforms in the structure of Budget and Accounts—Instructions regarding—

OFFICIAL MEMORANDUM

No. FD 19 BUD 73,Bangalore, Dated 20th March 1974

As the Departments are aware, the reforms in the structure of Budget and Accounts suggested by the Study Team of the Government of India will come into effect from 1974-75. The Budget Estimates for 1974-75 presented to the State Legislature are in accordance with the revised classification. A link document indicating the new and corresponding old heads of account is being supplied separately to the Departments.

2. The following instructions are issued in connection with the preparation of bills, classification of transactions etc., in the revised set up:

(i) the Drawing Officers should indicate on all bills and other account documents the correct and complete classification as indicated in the Budget Estimates for 1974-75. As could be seen from the Budget, Plan and Non-Plan expenditure are exhibited in adjacent columns against the same head of account and there is no separate head of account to classify Plan Expenditure. **It is therefore, absolutely necessary** that for proper classifications of transactions in accounts, separate bills are drawn for **Plan** and **Non-Plan** expenditure and that the bills should be prominently marked "**Plan**" or "**Non-Plan**" as indicated in the following examples:

Non-Plan	**Plan**
253. District Administration	305. Agriculture
3. Other Establishment--	8. Commercial Crops
G. Taluk Establishment--	A. Agricultural Department—
I. Bangalore Division	I. Development of Cotton—
Salaries—	Travel Expanses.
Staff	
Dearness Allowances	
Etc.	

The Drawing Officers should have rubber stamps with the words "PLAN" and "NON-PLAN" and use them for marking on the bills. Until such rubber stamps are ready, classifications as indicated above should be recorded clearly in ink.

The Treasuries should not accept bills which are not in accordance with the Revised Classification and are not clearly marked PLAN/NON-PLAN.

(ii) In the case of receipts also, the correct revised classification in accordance with the Budget Estimates of Revenue and Other Receipts for 1974-75 should be furnished on the Challans. The Treasury Officers and the Departmental Officers, who initial the Challans should ensure that classification as per new heads of account is furnished on the Challans.

(iii) Festival Advances were so far being accounted under "Deposits and Advances". With effect from the 1st April, 1974, Festival Advances will be classified under "766. Loans for Government Servants, etc.— 4. Festival Advances" within the Consolidated Fund. Necessary Budget Provision has been made under this head in the Budget Estimates for 1974-75. **The Departments should note that payment of Festival Advances hence-forth requires Budget Provision and no payment should be made in excess of the Budget allotment.** Allotment of funds to individual Departments will be communicated seperately.

(iv) Advances of Pay and Travelling Allowance on transfer were so far being classified under "Civil Advances" under "Deposits and Advances". It has been decided that with effect from the 1st April 1974, advances of Pay and Travelling Allowance on transfer will be accounted under the same head to which the Government Servants' Pay and Travelling Allowance are debited. The advance will be debited to the Department/Office which makes the advance. Adjustment of such advances from Pay or Travelling Allowance will be treated as **minus** expenditure under Pay or Travelling Allowance of the Department/Office to which the Government servant is transferred irrespective of whether the recoveries are made in the same year or in the subsequent year.

(v) It has been decided that the rules and procedure of adjustment for supplies made or services rendered by one department will stand modified with effect from the 1st April 1974 to the extent indicated below :—

The principle of Commercial Department or Commercial Undertaking which works to a financial result, charging or being charged for supplies made or services rendered will continue. Such of the Commercial Departments/Undertakings as are authorised to draw cheques should settle the bills in respect of services rendered or supplies made to it through cheques. In cases where, Commercial Departments or Undertakings are not vested with cheque drawing powers, bills should be settled through Bank Drafts. The amounts due to the Commercial Departments/Undertakings from other Departments should also be settled through Bank Drafts.

In cases of transactions between two service departments where manufacturing or production or supply of articles or repair operations are involved and the rules require settlement, no adjustment

need be made if the cost of the services or supplies is Rs. 250 or less in each case. In respect of transactions above this limit, the supplied department will present a bill at the Treasury for the cost of supplies or services along with the accepted invoice and challan **in quardruplicate** indicating the designation of the supplying officer, invoice number and the heads of account to which the amount claimed is to be paid by transfer credit. The Treasury Officer will check the head of classification noted in the challan with that noted by the supplying officer in the invoice and pass the bill for payment by transfer credit to this above head of account, debiting the amount to the head indicated in the bill by the supplied officer. After the adjustment, the Treasury Officer will retain the original copy of the challan and send the duplicate and the triplicate to the supplied officer who will keep one for his office record and send the other to the supplying officer. The Treasury Officer should attach the fourth copy to the bill for being sent to the Accountant General along with the paid voucher.

The Public Works, Forest and other Departments vested with cheque drawing powers will settle the claims against them through cheques.

In other cases, where inter-departmental adjustments between two service departments are in respect of services rendered and do not involve manufacturing or production or supply of articles etc., there should be no monetary or accounting settlement except where some fees are levied under a particular enactment. In the latter case also, settlement should be made either in cash or through Bank Draft.

Recovery of the pension and leave salary contributions due from the foreign employers—Issue instructions regarding.—

READ

(ii) Circular letter No. FD 71 SRS 69, dated 13th March 1970.

CIRCULAR

No. FD (Spl.) 1 CPL 73 BANGALORE DATED THE 28th AUGUST 1973.

According to Rule 426 (c) of the M. C.S. Rs., the contributions towards pension and leave salary in respect of Government servants on foreign service should be paid by the Government servant himself unless the foreign employer consents to pay them. According to Rule 430 of the M.C.S.Rs., these contributions are to be paid within fifteen days from the end of the month in which the pay, on which the contributions are based, has been drawn by the Government servant concerned. According to Note-3 below Rule 419 of the M.C.S.Rs., the Government servant should ensure that the contributions are paid regularly.

2. In the Government Circulars No. FD 71 SRS 69, dated 5th June 1969 and 13th March 1970, instructions have been issued to the Administrative Department and to the Heads of Departments to ensure that such contributions are remitted to Government promptly.

3. The Accountant General has reported to Government that in many cases the contributions due have not been paid for several years. This omission actually resulted, in such cases, in the reduction of the qualifying service of the Government servants concerned, thereby depriving them of the pensionary benefits for that period. Of late many cases have been received for the sanction of Government proposing the waiver of the amount of contributions on the ground (a) official concerned has retired or that (b) the institution has no funds to pay the contributions. This can be avoided if adequate and timely steps are taken by the Heads of Departments to enforce the recovery of the contributions from the foreign employers without allowing the matter to lie over for years sometime till the retirement of the Government servant concerned.

4. All the Administrative Departments and the Heads of Departments are therefore, once again requested to ensure that the contributions payable to Government, in respect of the foreign service of the Government servants are paid promptly and that the arrears in this behalf are remitted without delay.

5. The Heads of Departments should arrange in consultation with the Accountant General, to ensure that the contributions payable by the Government servant himself, and not paid till his retirement, are recovered from his gratuity under Rule 215A of the M. C. S. Rs.

6. The peripatetic party in the Finance Department when inspecting the Offices of the Heads of Departments will also ensure that the Heads of Departments take necessary action in this behalf and point out the specific lapses.

7. Any default in this respect will be viewed seriously and the concerned Head of the Department will be responsible for the loss found to have been caused to Government due to negligence in this behalf.

CHIEF SECRETARIAT

Transfer of Government Servants who have stayed for more than four years in a place Instructions thereon—

OFFICIAL MEMORANDUM

No. GAD 4 STR 73, BANGALORE DATED THE 19TH APRIL 1974

Instructions were issued in Government Order No. GAD 4 STR 70. dated 26th May 1971 that a Government Servant should normally be transferred if he is at a place for four years and that an exception to this rule be made only in cases where the Government servant is due to retire in the year following the one in which he is due for a transfer or on compassionate grounds after obtaining the orders of the authority higher than the authority competent to transfer the Government Servants. Government have observed that these instructions are not being followed by the transferring authorities especially, in respect of Government Servants working in offices located in Bangalore. Government therefore direct that where an officer is transferrable from Bangalore to a post outside Bangalore, he should not be retained in Bangalore for a period exceeding four years without the specific approval of the Chief Minister in the case of Gazetted Officers and of the Minister concerned in the case of the Non-Gazetted Government Servants.

Secretaries to Government are therefore requested to scrutinise all such cases in the departments under their administrative control and take action accordingly.

N. P. JOSHI,

Deputy Secretary to Government,

Illegal transactions of sale of agricultural lands in and around big cities in the State—Detection of.—

No. RD 41 LRM 71, BANGALORE DATED THE 3RD APRIL 1974.

With the repealing of the Karnataka Agricultural Lands (Prohibition of Alienation) Act, 1973, with effect from 26th March 1974, a large number of cases involving transfer of agricultural lands in and around big cities, like Bangalore are taking place. It has to be ensured that these transactions are not in contravention of the provisions of the Land Reforms Law.

Under Section 81-A of the Karnataka Land Reforms Act, 1961 as amended upto-date, for registering a document relating to the transfer of agricultural land, the condition precedent is that the document to be registered should be presented with a declaration in writing in duplicate in the prescribed Form, by the transferee before the registering authority under the Indian Registration Act, 1908 indicating the total extent of land held by him as also his assured annual income. The Registering authority has to forward one copy of the declaration to the prescribed officer (Tahsildar) and the Tahsildar has to take further action to verify if there has been any contravention of any of the provisions of the Act in any particular case and take further action under the law.

The new provisions contained in Sections 79A, 79B, 79C and amended provisions in Sections 80, 81, and 81A may specifically be brought to the Notice of the Tahsildars/Assistant Commissioners and they may be instructed to find out the cases of transfers of land which contravene these sections. The Assistant Commissioners may issue notices to the persons involved in the illegal transactions asking them why the transactions should not be declared as 'Null and Void' under Section 83.

Immediate action in this behalf is necessary in order to curb large scale illegal transactions especially in and around big cities.

CIRCULAR No. 131.

F. No. 275/36/74.ITJ

GOVERNMENT OF INDIA

MINISTRY OF FINANCE

(DEPARTMENT OF REVENUE & INSURANCE)
NEW DELHI, 18TH MARCH 1974.

From

Shri K. R. Raghavan,
Deputy Secretary to the Government of India.

To

All State Governments.

Sir,

Subject:—Deduction of tax at source- Income-tax deduction from salaries during 1974-75.

I am directed to invite a reference to this Ministry's Circular No. 107 (F. No. 275/7/73-ITJ) dated the 7th March, 1973 on the subject of deduction of income-tax from salaries paid during the year 1973--74. The Finance Bill introduced in the Parliament on the 28th February 1974, *inter alia* prescribes the rates at which income tax is to be deducted during the financial year 1974-75 from income chargeable under the head "Salaries". These rates will be applicable to deduction of tax from salaries paid or payable on or after the 1st April, 1974. An extract of Sub-paragraph 1 of paragraph A of Part I of the First Schedule to the Finance Bill 1974, in so far as it relates to levy of income-tax on "Salaries" is enclosed (Annexure I). It is requested that pending the passing of the Finance Bill, 1974, deduction of tax from "Salaries,

may be made during the financial year 1974-75 according to the rates in the said Schedule. Three typical examples of calculations are given in Annexure II.

2. The substance of the main provisions in the law in so far as they relate to income from "salaries" on which tax is to be deducted at source during the financial year 1974-75 is given hereunder:—

(i) No tax will be deductible at source in any case unless the estimated salary income for the financial year exceeds Rs. 6,000.

(ii) The Income-tax (Amendment) Rules, 1974, notified by the Central Board of Direct Taxes on the 26th February 1974, have made certain modifications in the provisions relating to the valuation of the perquisites by way of free residential accomodation and motor cars provided by employers to their employees. The salient features of the new provisions have been explained in Boards' Circular No. 130 of March 16, 1974. The new provisions take effect from 2nd April, 1974 and will, therefore, have to be taken into account for the purposes of computing the estimated salary income of employees for the purposes of deduction of tax at source during the financial year 1974-75.

(iii) The taxable salary is to be computed after providing a standard deduction in respect of expenditure incidental to employment. The standard deductions to be allowed in amount equal to 20% of the salary up to Rs. 10,000/- and 10% of the salary in excess thereof, subject to a maximum of Rs. 3,000/- for this purpose, the term 'Salary' will include fees, commission, perquisites or profits in lieu of or in addition to salary, but will not include any payment received by the employee which are specifically exempt from tax under clauses (10), (10A), (11), (12) and (13A) of Section 10 of the Income-tax Act. Thus, house rent allowance which is exempt under Section 10 (13A) of the Income-tax Act will not be taken into Account for the purposes of computing the amount of the standard deduction. It may be noted that the standard deduction on the above basis is to be allowed irrespective of whether any expenditure incidental to employment is actually incurred by the employee or not. This deduction will, however, not be admissible in the case of retired pensioners who have not been in employment at any time during the financial year 1974-75. In the case of persons who retire from service in the course of the financial year 1974-75, the standard deduction will be calculated only with reference to the salary derived from employment during the financial year without taking into account the pension received by the employee. Further, the standard deduction will be limited to Rs. 1,000 only in cases (a) where the employee is in receipt of a conveyance allowance, or (b) where he is provided with any motor car, motor cycle, scooter or other moped by his employer (for use other wise that wholly or exclusively in the performance of his duties) or where he is allowed the use of any one or more motor cars (otherwise than wholly or exclusively in the performance of his duties) out of a pool of motor cars owned or hired by the employer. In this connection, it may be noted that the use of a motor car by the employee for the purposes of going from his residence to the place where the duties of employment are to be performed or from such place back to his residence will not be regarded as use of the motor car in the performance of his duties.

(iv) While computing the taxable income, the disbursing officers should allow a deduction of the whole of the first Rs. 2,000, 50 per cent of the next Rs. 3,000 and 40 per cent of the balance of the qualifying amount of payments towards life insurance premia, contributions to provident fund, contributions for participation in the Unit-linked Insurance Plan, 1971 made under Section 19 (1) (cc) of the Unit Trust of India Act, 1963 and deposits in a 10-year Account or 15-year Account under the post Office Savings Bank (Cumulative Time Deposit) Rules, 1959. The qualifying amount of these items taken together will be limited to 30 per cent of the estimated "salary" (after the deduction in respect of expenditure incidental to the employment of the assessee referred to in item (iii) above) or Rs. 20,000 whichever is less.

(v) The total income computed in accordance with the provisions of the Act should be rounded off to the nearest multiple of ten rupees by ignoring the fraction which is less than five rupees and increasing the fraction which amounts to five rupees or more, to ten rupees. The net amount of tax deductible should be similarly rounded off to be the nearest rupee.

(vi) No deduction should be made from the salary income in respect of any donations for charitable purposes. The tax relief on such donations will have to be claimed by the tax-payer separately at the time of the finalisation of the assessment. However, in cases where contributions to the National Defence Fund, Jawaharlal Nehru Memorial Fund or the Prime Minister's Drought Relief Fund are made by deduction from the pay bills, 65 per cent of such contributions may be deducted in computing the taxable income of the employee. Care should be taken to see that the aggregate of such contributions for the year is no less than Rs. 250. Disbursing officer should show the total contributions in the remarks column of the return under Section 206 of the Income-tax Act, 1961.

(vii) Attention is also invited to Section 276B, wherein it is provided that if a person without reasonable cause or excuse fails to deduct or after deducting fails to pay the tax as required under the provisions of Chapter XVIB of the Income-tax Act, 1961, he shall be punishable with rigorous imprisonment for a term which may extend to six months, and shall

also be liable to fine which shall be not less than a sum calculated at the rate of fifteen per cent per annum on the amount of such tax from the date on which such tax was deductible to the date on which such tax is actually paid.

3. If any changes are made in the Finance Bill, 1974 before it is passed into law, the same will be communicated to you in due course.

4. These instructions may please be brought to the notice of all disbursing officers and State Undertakings under the control of the State Government.

Yours faithfully,

K. R. RAGHAVAN,

Deputy Secretary to the Government of India.

2. It has now been represented to Government that the officials do not get the full benefit of four increments with increase in the rate of increment in the revised pay scales of 1970. Amendment to Casual Leave Rules.

PREAMBLE :

According to Rule 5 of the Casual Leave Rules contained in Annexure 'B' to the Karnataka Civil Services Rules, Special Casual leave is admissible to a Government servant whose pay does not exceed Rs 500 per month, when he is bitten by a rabid animal. This pay limit is discriminatory as every Government servant whether his pay is Rs. 500 or more or less, requires the same treatment for the same period which has to be treated as Special Casual leave. In the rules of the neighbouring States no such pay limit has been prescribed for the grant of Special Casual leave for this purpose. It is therefore, considered necessary to remove the pay limit existing in Rule 5 of the Casual leave Rules in Annexure 'B' to K C. S. Rs.

ORDER No.FD 213 SRS 72, BNGALORE, DATED 10TH MAY 1974.

The matter has been examined. Government are pleased to delete the words and figures *viz.*, "and whose pay does not exceed Rs. 500 a month" appearing in the second line of Rule 5 of the Casual leave Rules contained in Annexure 'B' to the Karnataka Civil Services Rules.

Welfare of Scheduled Castes and Scheduled Tribes-Provision in the Village Panchayats and Town Panchayats Budgets.

CIRCULAR

No. DPC 37 VAD 74 BANGALORE DATED 10TH APRIL 1974/9TH MAY 1974.

Attention of the Divisional Commissioners and the Deputy Commissioners is invited to the instructions issued under Circular No. DPC 69 BAC 72 dated 24th July 1972 to earmark 18 per cent of the total budget in respect of each Taluk Development Board for the welfare of the people belonging to Scheduled Castes and Scheduled Tribes. These instructions were confined only to the Taluk Development Boards and not to the Town and Village Panchayats for the reason that the many of the Panchayats were financially not sound. It has since been observed that there are few panchayats who can afford to earmark funds for the welfare of Scheduled Castes and Scheduled Tribes. Since Government have committed to bring up Scheduled Castes and Scheduled Tribes to the level of advanced communities by 1980 as contemplated in the Constitution of India after which term the constitutional safeguards would cease to exist, Government direct that the following measures be adopted hereafter in the case of Village Panchayats and Town Panchayats also:

(1) that 18 per cent of the net income of the Village Panchayats and Town Panchayats whose financial positions are sound enough should be reserved for the welfare of Scheduled Castes and Scheduled Tribes and the schemes which are beneficial to them may be implemented for their welfare in their respective Village Panchayats and Town Panchayats.

(2 that, any amount which remains unutilised during a particular yea r one reasons or other should be carried forward to the subsequent years for utilisation in addition to 18 per cent of the budget of that year.

The Divisional Commissioners and Deputy Commissioners are requested to advise the Chairmen of Village Panchayats and Town Panchayats and issue instructions to the Secretaries of Village Panchayats and Town Panchayats in their jurisdiction accordingly. The Chief Executive Officer of the Taluk Development Board who approves the budget of each panchayat should ensure that such of the panchayats and town panchayats whose financial position is sound, earmark 18 per cent of their net income for the welfare of Scheduled Castes and Scheduleed Tribes and utilise it on welfare schemes meant for them.

Instructions with regard to Schemes on which these grants should be utilised will be issued separately.

A point has been raised whether extraordinary leave without allowances granted under Rule 117 of the Karnataka Civil Services Rules on a Medical Certificate during the period when a Government servant is on probation can be counted under Rule 53 (b) (ii) bid for purposes of grant of increment during the period of probation.

2. The matter has been examined. It is clarified that leave without Allowances granted under Rule 117 of the Karnataka Civil Services Rules on a Medical Certificate during the period when a Government employee is on probation shall count under Rule 53 (b) (ii) of the Karnataka Civil Services Rules for the purpose of grant of increment. This is subject to the following clarification.

3. Note 2 below Rule 8 (37) of the Karnataka Civil Services Rules and Rule 3 (2) of the probation Rules prescribe that in computing the period of probation, the period of extra-ordinary leave without allowances, whether on medical grounds or otherwise, shall be excluded. In such cases, the satisfactory completion of the period of probation is extended to this extent beyond the normal period of probation. Further, according to the provisions of the note below Rule 10 of the Probation Rules, the Probationer's increment which falls due at the end of or after the end of the normal period of probation can be drawn only after he is declared to have completed satisfactorily his probation. This does not affect the dates of increments due subsequently.
